

## SOBO BEACH Allergen Policy

We are aware of the serious health risk to people with allergies  
Please find attached a list from our Head Chef of all dishes served  
and their allergen content

Once alerted to an allergy by a customer;  
we will do our best to ensure your food/drink is allergen free  
– however due to the presence of gluten, nuts and other allergens on the  
premises we cannot categorically state that our products are 100% free  
of these ingredients as with all food establishments there is always  
the possibility of cross-contamination at some point in the food chain
