

SOBO BEACH Allergen Policy

We are aware of the serious health risk to people with allergies
Please find attached a list from our Head Chef of all dishes served
and their allergen content

Once alerted to an allergy by a customer;
we will do our best to ensure your food/drink is allergen free
– however due to the presence of gluten, nuts and other allergens on the
premises we cannot categorically state that our products are 100% free
of these ingredients as with all food establishments there is always
the possibility of cross-contamination at some point in the food chain
